The collaboration with Mezzo Hotel and Business is a real pleasure for an enterprising firm as Reca Belux.

On regular basis we organize meetings and workshops @ Mezzo. The reservation of a location is done in a blink of an eye. Send your request and within 30 min. you get a response and the boardroom is booked.

In case of a full day meeting, Mezzo will suggest their lunch options. Coffee, soft drinks and snacks are presented in the Atrium or boardroom. The meeting room is equipped with flipchart, tv(presentation) and fridge with soft drinks. Every floor has a kitchen equipped with microwave and coffee machine. The airco and ventilation system increase the comfort even more.

For a careless meeting, event or workshop, just send a simple email to info@mezzo.eu

Last but not least there is a very welcoming, friendly and caring staff, even during these strange times.
